

2025 Lesson Season

Dear Riders, Family and Friends of Lothlorien,

I hope you have had a wonderful holiday season and are looking forward to the year ahead! Please look over and read the entirety of this packet, as there are many important details for the upcoming lesson season.

Things to note this year:

- We will make every effort to choose your preferred lesson time, and beyond that will be selecting classes based on variables such as horse availability, level of independence and group dynamics.
- ANYONE who will be in the barn/around the horses (any staff/family assisting their rider, etc.) is REQUIRED to wear sturdy closed toe shoes with a closed heel such as sneakers or boots. Crocs, sandals, dress shoes/flats etc. are not acceptable.
- Family/staff is required to be within eye/earshot of the rider unless explicit permission is given by the instructor.
- We ask that family/staff bringing riders be prepared to sidewalk if needed (wearing closed toe shoes). This will help lessons continue to run when there are shortages of volunteers.
- We are excited to continue enhancing the programming we offer to our riders and appreciate your patience as instructors and volunteers familiarize themselves with the new processes. Riders will now have the opportunity to spend more time with their horses, learning new skills through grooming and groundwork as part of their lessons. This approach gives riders greater autonomy and helps foster a sense of responsibility for the horses they ride.

Please refer to the Participant Handbook for specific information pertaining to rider and lesson policies.

Text or call (716) 339-7976 regarding lessons to reach our instructors.

Follow us on Facebook at Lothlorien Therapeutic Riding Center to keep up to date and see pictures throughout the season!

Sincerely,

Stulley By

Shelby Dytschkowskyj

Lothlorien Horse Show

This year, we will offer a horse show on September 6th as a fun opportunity for riders to show off the skills they have been working on to their friends and families who are not regularly attending with them. The show will be limited to Lothlorien TRC participants and is a great confidence booster and way to experience a horse show in a safe and low-key environment. There is no obligation to participate as the show is simply an added opportunity for those who choose. Details on the show will be sent out to those who indicate interest below closer to the date.
